**Bogotá - Colombia, PCC ICF
Professional Certificate Coach
Shared Leadership Team Coach
Mentor Coach - Supervisor Coach
Coaching Supervisor**

Gustavo Cárdenas has over 12 years of experience in the coaching industry, specializing in collaborative learning for coaches, entrepreneurs, and leaders. He founded Gestart Comunidad to support coaches in their first 1,000 hours of practice. With a 24-year background as a Navy officer, he integrates discipline and strategy into his coaching.

As a PCC-certified coach by the International Coaching Federation (ICF), Gustavo has held leadership roles, including President of ICF Colombia Chapter and Director of Continuing Education for 15 Spanish-speaking ICF chapters. He has trained and mentored coaches in Latin America, the United States, and Europe, focusing on shared leadership, organizational transformation, and action-reflection learning.

Gustavo specializes in executive and team coaching, mentorship programs, and mastermind groups that empower coaches to develop unique methodologies. He is passionate about trust-based learning communities, leadership development, and expanding coaching's global impact. Gustavo also co-leads GestartBroker, a platform that commercializes coaching methodologies globally.

Beyond coaching, Gustavo enjoys traveling, exploring new cultures, and sharing meaningful conversations.
