Teresa P. Benitez

Founding Principal Partner and President of Leadership in Motion (LIM) Global Philippines. Certified learning and Team Coach of LIM and ICF AAC.

Teresa is a Career Transition and Change Management coach with Lee Hecht Harrison since 2014 and has over 30 years of experience facilitating and coaching individuals and teams. She spent 30 years with Intel Corporation in Philippine key management and global roles as a performance enabler and HR-OD professional. She supported business growth and performance in the areas of manufacturing operations, new factory and product start-ups, TQM and process HR management in the USA, Asia Pacific, India, Japan, Europe, and West Indies.

She is a systems thinker, results-oriented, and enjoys working with leaders and teams to help organizations co-create their future through innovative solutions to address complex business challenges. Her global exposure allowed her to have the capacity of working with virtual and multicultural global teams to deliver results. She completed her BS degree in Industrial Engineering from the University of the Philippines and is a Professional Industrial Engineer (PIE) certified by the Philippine Ind. Eng. Certification Board. She is certified for – SMP® SLP® - 360 Assessment Surveys and Action Planning for Managers and Leaders (Booth Co.) ; Universal Language of DiSC (Vengel); Managing Change and Transitions in Organizations ® and Individual Transitions ® (William Bridges); ChangeMap ®; Change-ABLE Organizations : Key Management Practices ©; Breakthrough Systems : Managing for Speed and Flexibility ©; Dress Rehearsal ®, Chain Gang ® simulations (American Consulting Training Inc).
